1 Q. Okay. If she was engaged full time, do you know where
2 the Trust office was?

3 A. There was notations of office expenses. I'm assuming it
4 was either at her home or in Kaplan. I think there was, at one
5 time, a list of improvements to the land. I don't know if they
6 built a small shed or building... I mean, it was a small amount,
7 maybe \$8,000.

8 So, if there was an office, I assumed it was out of her
9 house.

10 Q. Okay. If she had an office in her house, and she is doing
11 Trust business from that office, she is entitled to incur
12 telephone expenses, long distance expenses related to Trust
13 business, is she not?

14 A. That would be a normal relationship, I would think.

15 Q. And, you don't know whether that is the telephone charges
16 that you listed as unrelated or not?

17 A. Well, as I said, I listed the sum of about maybe four
18 different phone numbers, cell phones, and there were multiple
19 cell phone numbers and land line numbers, so to say which of
20 those was her main office line, I couldn't say.

21 Q. But, you just said they were all on there.

22 A. I listed all of them except if it was the Kaplan exchange,
23 that's correct.

24 Q. When asked about the pumping expense, which you listed as
25 not related, did I understand your answer? You said, "I
