Staff of:
Our Lady of the Oaks

Lou and I filed a Police report on 2/19/04 given witness testimony of your staff and roommate resident that Ruby and Mildred Bell removed all of Wilfred Bell's personal clothing, electric shaver and all other personal items from his assigned room. Additionally Nevel Domingue and his wife Dorris removed the color television and electric wheelchair. These removals were without consent of the Curator, me or your staff.

Still today, even after our father returned from the hospital since 2/26/04 these parties although contacted by Sgt Green of the Lafayette City Police to return all the items have still not returned anything. In spite of the prior purchase of over \$500.00 in clothing that has been taken, Lou and I have had to purchase new clothing for the comfort and warmth of our father as follows:

1 NAVY 3X "JERZEES" SWEAT SHIRT LONG SLEEVE
1 BLACK 3X "JERZEES" SWEAT SHIRT LONG SLEEVE

1 NAVY 3X "JERZEES" SWEAT PANT
1 GREY 3X "JERZEES" SWEAT PANT

6 PAIR OF XL 42/44 FRUIT LOOM BRIEFS
6 PAIR ATHLETIC WORK LOW CUT WHITE SOCKS "CORTE BAJO"

1 WHITE T-SHIRT FRUIT OF LOOM SHORT SLEEVE

1 MICRO SHAKER PIQUE XXL BROWN/GREEN BORDER SHORT SLEEVE DRESS SHIRT

1 PAIR LUFT NUT KAKAI SLACKS

1 LONG SLEEVE DARK GREY/BLACK EDGING SHIRT REEBOK 2XL/3XL

1 MED GREY PAJAMA PANT 2 XL HOMBRES

Thanking you for your patience and considerations.
