

SUE BELL TESTIMONY

1 that he would. I said, "Let's ask. At least if we  
2 ask, we might receive," and he did.

3 Q. November 6<sup>th</sup> and 7<sup>th</sup>, it looks like you're doing some  
4 "research into revocatory actions and fraudulent conveyances."

5 Why were you familiarizing yourself with those rules?

6 A. Again, you know, I knew from the revocatory letter Bill  
7 Friedman had sent me, from what Amato was telling me, from what  
8 Frank had said, from what John Helluen was telling me, that I  
9 had some serious problems. I was gravely concerned for the  
10 Trust assets.

11 Q. Now, November 20<sup>th</sup>, November 28<sup>th</sup>, "late night stakeout at  
12 topless bar." What were you doing there?

13 A. I had hired an investigator to get me -- well, John  
14 Helluen, I had approached John Helluen and I said, "I think  
15 I've heard that one of the prostitutes has gone to work at a  
16 topless bar, and he's confident to go and talk with her there --  
17 at. And, I told him what my plans were and he strongly urged  
18 me not to do that, that I was placing myself at risk being in  
19 that parking lot.

20 Q. Was this one of the persons who had sued your father?

21 A. Yes. So, I hired the investigator. He gave me a picture  
22 of her, so I knew who to look for, and I just sat there until I  
23 was able to get her going into the club to work.

24 Q. Had she -- was there a suspicion that she was going to  
25 deny that in her deposition?
