

1 A Susan bought it back.  
2 Q And what money did she use to buy it?  
3 A Huh?  
4 Q What money did she use to buy it back?  
5 A Well, I had gave her all the money that I took  
6 out the bank and I had told her to buy the house  
7 back, and the Federal attorney told me, he says,  
8 "Mr. Bell, I'm going to give you first  
9 preference to buy your house back if you want  
10 your house," because there's a lot of people,  
11 the way I understand, that watches to buy stuff  
12 like that, and he wanted me to have first  
13 preference, and he gave me -- when he took my  
14 house, he turned around and he said, "Mr. Bell,  
15 I give you first preference to buy your house.  
16 If you want it back, give me \$40,000."  
17 Q And did you do that?  
18 A I look at Sue and I shook my head. I didn't  
19 have no money.  
20 Q So are you telling me she used \$40,000 of the  
21 money you had given her to buy it back for you?  
22 A Yeah, I guess so.  
23 Q How come you didn't, then, go live in that  
24 house?  
25 A Huh?
