1 Q. Okay. Now, if you had known before she did the dation
2 that she was going to do it, isn't it true that you would have
3 done the same thing you did after? You would have had
4 Mr. Marcantel file a suit to try to stop it?

5 A. To try to stop the dation?

6 Q. Yes, ma'am.

7 A. I think so.

8 Q. Okay. So, regardless of when you found out about it,
9 that's what you were going to want to do?

10 A. Well, you know, I think that the way my father had set
11 things up in the Trust, is that he wanted the land in the
12 Trust, and to be shared equally by all his children.

13 Q. All right. Do you think he intended for Sue to act as
14 Trustee without ever being paid for it?

15 A. I don't know what he thought. I mean, I had no problems
16 with her being paid a minimal amount of money for taking care
17 of a minor Trust.

18 Q. How about paying her a reasonable amount of money? Do you
19 have a problem with her getting a reasonable amount of money?

20 A. It depends on what you call "reasonable."

21 Q. You have looked at the invoice that --

22 A. Yes, I have.

23 Q. All right. Is there anything in there that Sue claims to
24 have done that you think she did not do?

25 A. You know, I can't say whether everything that's listed on

1 that invoice, is something she has done.

2 Q. No, but, do you have any knowledge that she put down on
3 that invoice that did something, but she really didn't so it?

4 A. It's possible. I don't know.

5 Q. You have no knowledge that there's anything on that
6 invoice that she says she did, but she really didn't do, is
7 that correct?

8 A. I don't know if she's done everything that she put on that
9 invoice.

10 Q. That's not what I'm asking you. Is there anything on that
11 invoice that she claims to have done, but you know she didn't
12 do it?

13 A. I don't know.

14 Q. So, if she's done everything that's listed on that
15 invoice, you think the fee she wants for that is unreasonable?

16 A. For the entire invoice?

17 Q. Yes, ma'am.

* 18 A. Yes. It is unreasonable.

19 Q. Because?

20 A. Because, a lot of the stuff that's on that invoice has
21 nothing to do with the Trust.

X 22 Q. How do you know that? Have you ever talked to her about
23 it?

24 A. No, I haven't.

25 Q. How do you know it had nothing to do with the Trust?
